Dear Mr. Ryan,

The Washington State Bar Association (WSBA) has received a request for review by you, in your capacity as the Records Request Appeals Officer (RRAO), of a records decision by the WSBA's Executive Director. WSBA is therefore transmitting Stephen Eugster's request for review and documents submitted therewith, the Executive Director's decision, and the record before the Executive Director to you for your review.

The WSBA notes that whether to allow the submission of briefs on review is within the sole discretion of the RRAO. GR 12.4(h)(2)(b). However, Mr. Eugster has already included a brief with his request for review. If in your discretion you decide to consider Mr. Eugster's brief, the WSBA respectfully requests the opportunity to submit a response brief. Please let us know your decision in that regard and if you need anything further.

Very truly yours,

  
Kirsten M. Schimpff  
Assistant General Counsel
